Profile

Frontend Developer with 6+ years of experience building responsive and scalable web applications using React.js, Next.js, TypeScript, and Redux. Experienced in Drupal-to-Next.js migration, reusable UI components, state management, REST API integration, performance optimization, and Jest/React Testing Library. Strong experience working in Agile teams with a focus on clean, maintainable, and user-focused frontend solutions.

Education

Uttaranchal University, Dehradun

B.Tech in Electrical Engineering (CGPA: 7.23)

Aug 2016 – Aug 2020

Uttarakhand, India

Technical Skills

- Languages: JavaScript, TypeScript, Java, HTML
- Frameworks: React, Next.js, Redux, Bootstrap
- Tools: Git, GitHub, Bitbucket, Jenkins, npm, VS Code, IntelliJ IDEA, Jira, Figma, SonarQube, Generative AI Tools

Professional Experience

Tata Consultancy Services

Systems Engineer (Frontend Developer)

Aug 2022 – Present

- Developed responsive web applications using React.js, Next.js, TypeScript, and Redux.
- Migrated existing Drupal websites to Next.js, rebuilding pages and reusable UI components.
- Implemented state management and optimized application performance using lazy loading, code splitting, and memoization.
- Wrote and maintained unit and integration tests using Jest and React Testing Library.
- Collaborated in Agile teams, participating in code reviews, debugging, and frontend enhancements.

PAN Intellectcom Ltd.

Associate Software Engineer (Frontend)

Aug 2020 – Aug 2022

- Developed and maintained responsive web interfaces using HTML, CSS, and JavaScript.
- Enhanced web pages for responsive design, cross-browser compatibility, and usability.
- Resolved UI bugs and functional issues to improve application stability.
- Performed UI maintenance, enhancements, and bug fixes based on business requirements.

Projects

TechNest – IT Company Website

Sep 2026

Developed a responsive IT company website using Next.js and TypeScript, with reusable UI components, App Router, authentication flow, dark/light theme, responsive navigation, and toast notifications.
